

## APPLICATION FOR ADJUSTMENT and/or ISSUE OF ELECTRONIC MEDIA OF DARS d.d.\* FOR TOLL PAYMENT WITH RESPECT TO EURO\*\*EMISSION CLASSES for motor vehicles of which the maximum permissible weight exceeds 3.5t

### Information on the person liable for toll:

(All fields must be completed)

Name of company/name and surname of the user:	
Address:	
Post code and post:	Country:
Liable for VAT: <input type="checkbox"/> - YES <input type="checkbox"/> - NO	Tax number:
Contact person:	Electronic address:
Telephone number:	Fax:

**WE WISH TO HAVE OUR ELECTRONIC MEDIA ADJUSTED**

We are in possession of electronic media of DARS d.d. for non-cash toll payment in the Republic of Slovenia which are listed in the attachment P-1 by type of medium, serial numbers (for ABC and DC) and identification numbers (for ABC). For each vehicle for which toll will be paid in future with respect to the EURO emission class, the registration number and EURO emission class has been specified.

**WE WISH TO ORDER NEW ELECTRONIC MEDIA**

As specified in the attachment P-1, we wish to order new electronic media (ABC and/or DC) for our vehicles as listed in the attachment, including the registration numbers and EURO emission classes.

The price for the ABC electronic tag is 16.65 EUR, including VAT. Prepaid credit on DC is 20.00 EUR.

Mark the post-payment electronic media in column five of the attachment P-2 by adding the letter P to the designation of the electronic medium (ABC-P, DC-P).

DC cards used as a post-payment medium for which a Deferred Contract Payment with DARS d.d. has been concluded, or which will be connected with a valid payment card upon collection, are free of charge and without prepaid credit, respectively.

### DELIVERY POINT

We will collect the ordered electronic media from the attachment P-1:

(  - mark appropriately)

- in person at DARS d.d., Road Toll User Centre, Ljubljana, Grič 54 (CUC, motorway maintenance base Ljubljana, exit Lj-Brdo)
- by mail (in the territory of the Republic of Slovenia)
- at the toll station \_\_\_\_\_ in the direction of \_\_\_\_\_  
(please state at which toll station and in which direction you wish to collect the media)

We will pay the purchase price and prepaid credit for the electronic media from the attachment P-1:

(  - mark appropriately)

- by pro forma invoice (the original delivery note constitutes proof)
- by cash or by payment card (only upon personal collection in CUC)
- under a Deferred Toll Payment Contract; Contract no. \_\_\_\_\_

### MANDATORY ATTACHMENTS TO THE APPLICATION (Original documents will be returned to the applicant)

(  - mark the attachments to the application)

- List of vehicles and electronic media (attachment P-1)
- Photocopy of certificate of registration (for vehicles registered abroad),
- Original proof of compliance (of production) or CEMT permits (for vehicles registered abroad)
- Original proof of compliance (of production) or roadworthiness test certificates for the vehicles according to CEMT resolution (for vehicles registered abroad)

*We declare that all the information in the application and attachments is accurate and that we are acquainted with the General Conditions for the Use of Electronic Media of DARS d.d. for Toll Payment and with the Instructions for the Use of the Electronic Media of DARS d.d. In the case of false information for adjustment or issue of electronic media for toll payment in respect of EURO emission classes or the use of these media contrary to General Conditions, we undertake to pay the underpaid toll for all journeys conducted on toll roads in the Republic of Slovenia on the basis of an invoice issued by DARS d.d.*

DARS d.d. undertakes to enable toll payment by electronic media for the vehicles which are the subject of this application within 30 days of receipt of a complete application with the attachments. Use of the electronic medium for toll payment with respect to the EURO emission class will be enabled upon receipt of electronic notification by DARS d.d. stating that the information on the vehicle has been entered into the electronic toll collection system. The information will be automatically recorded on the electronic medium upon the first passage of the vehicle through the so-called combined lane of the toll station, marked thus:  but not before 1 January 2010.

Personal data is protected according to provisions of the law which regulates personal data protection.

In \_\_\_\_\_ on \_\_\_\_\_

Stamp and signature of the applicant:

\* ABC electronic tag (ABC) and DARS Card/DARS Transporter Card (DC)

\*\* emission classes: E3 includes vehicles of EURO III emission class; E4 includes vehicles of EURO IV or higher emission class.

**In the case of any questions or doubts concerning toll payment on the toll roads of the operator, please contact the Road Toll User Centre (CUC) by phone: 080 15 03 or +386 (01) 518 8 350, or by e-mail: [cuc@dars.si](mailto:cuc@dars.si), [www.dars.si](http://www.dars.si)**
